We've Only Just Begun

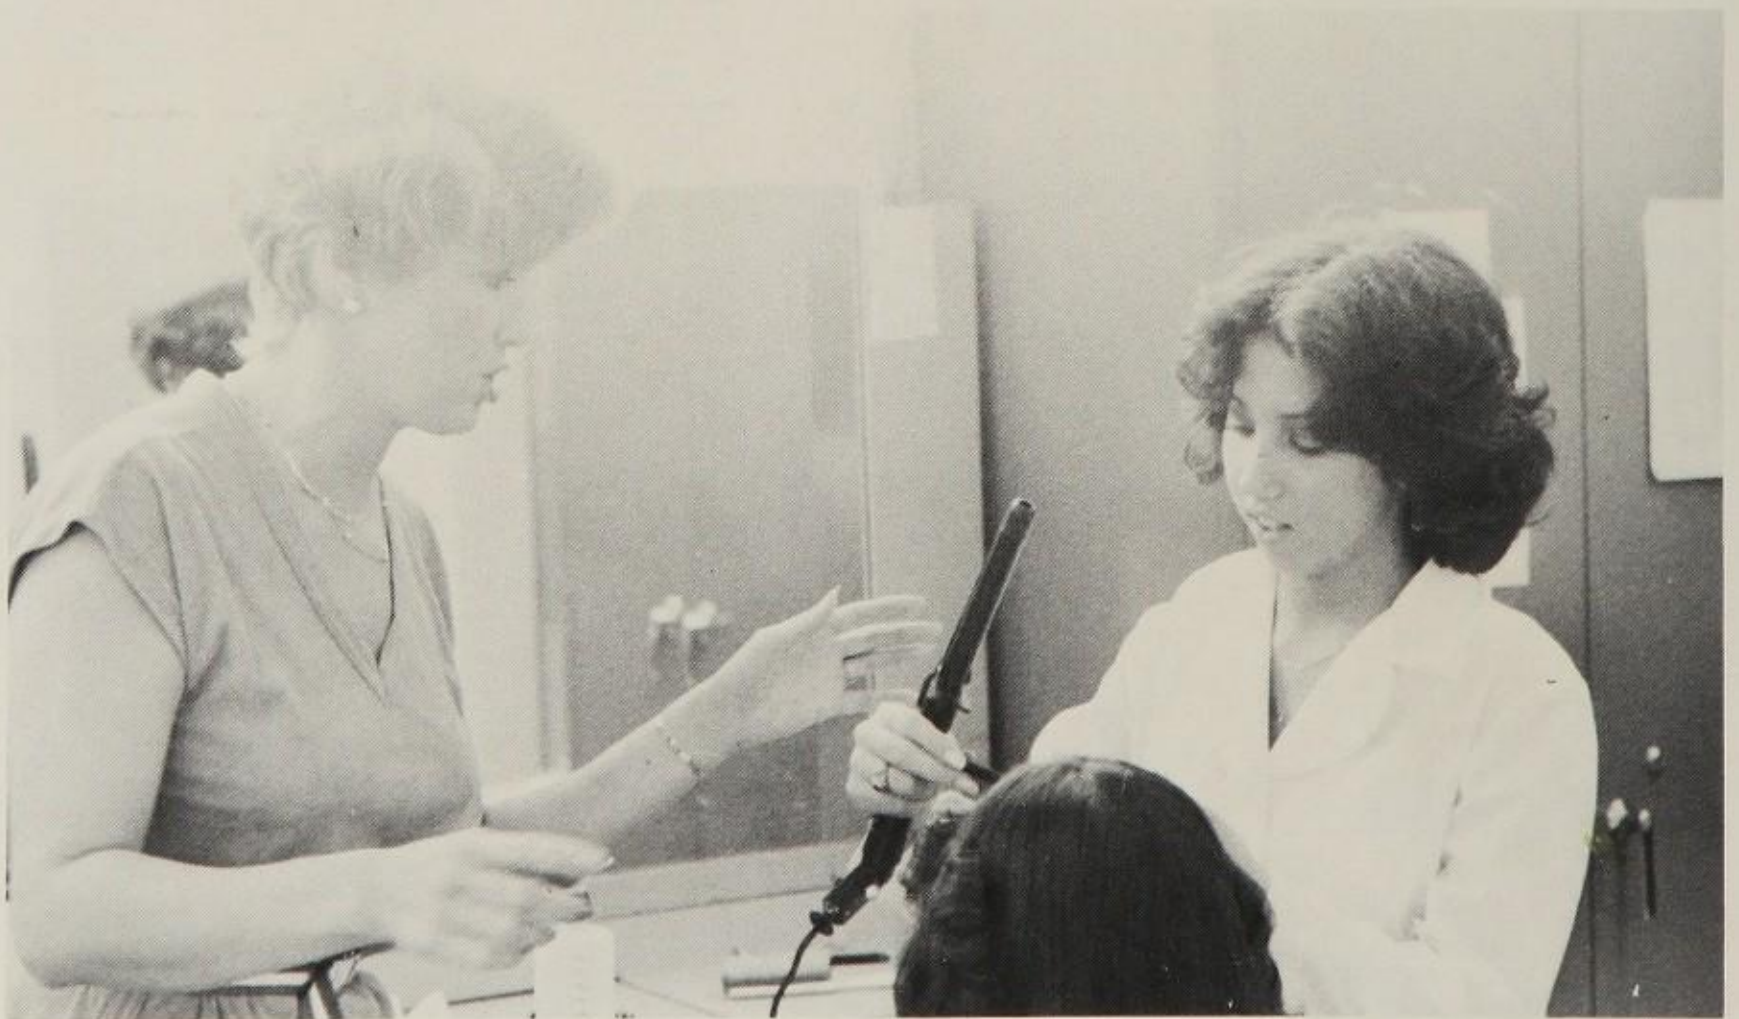

*I am not afraid of tomorrow for I have
seen yesterday and I love today*

The happiest times are those shared with friends

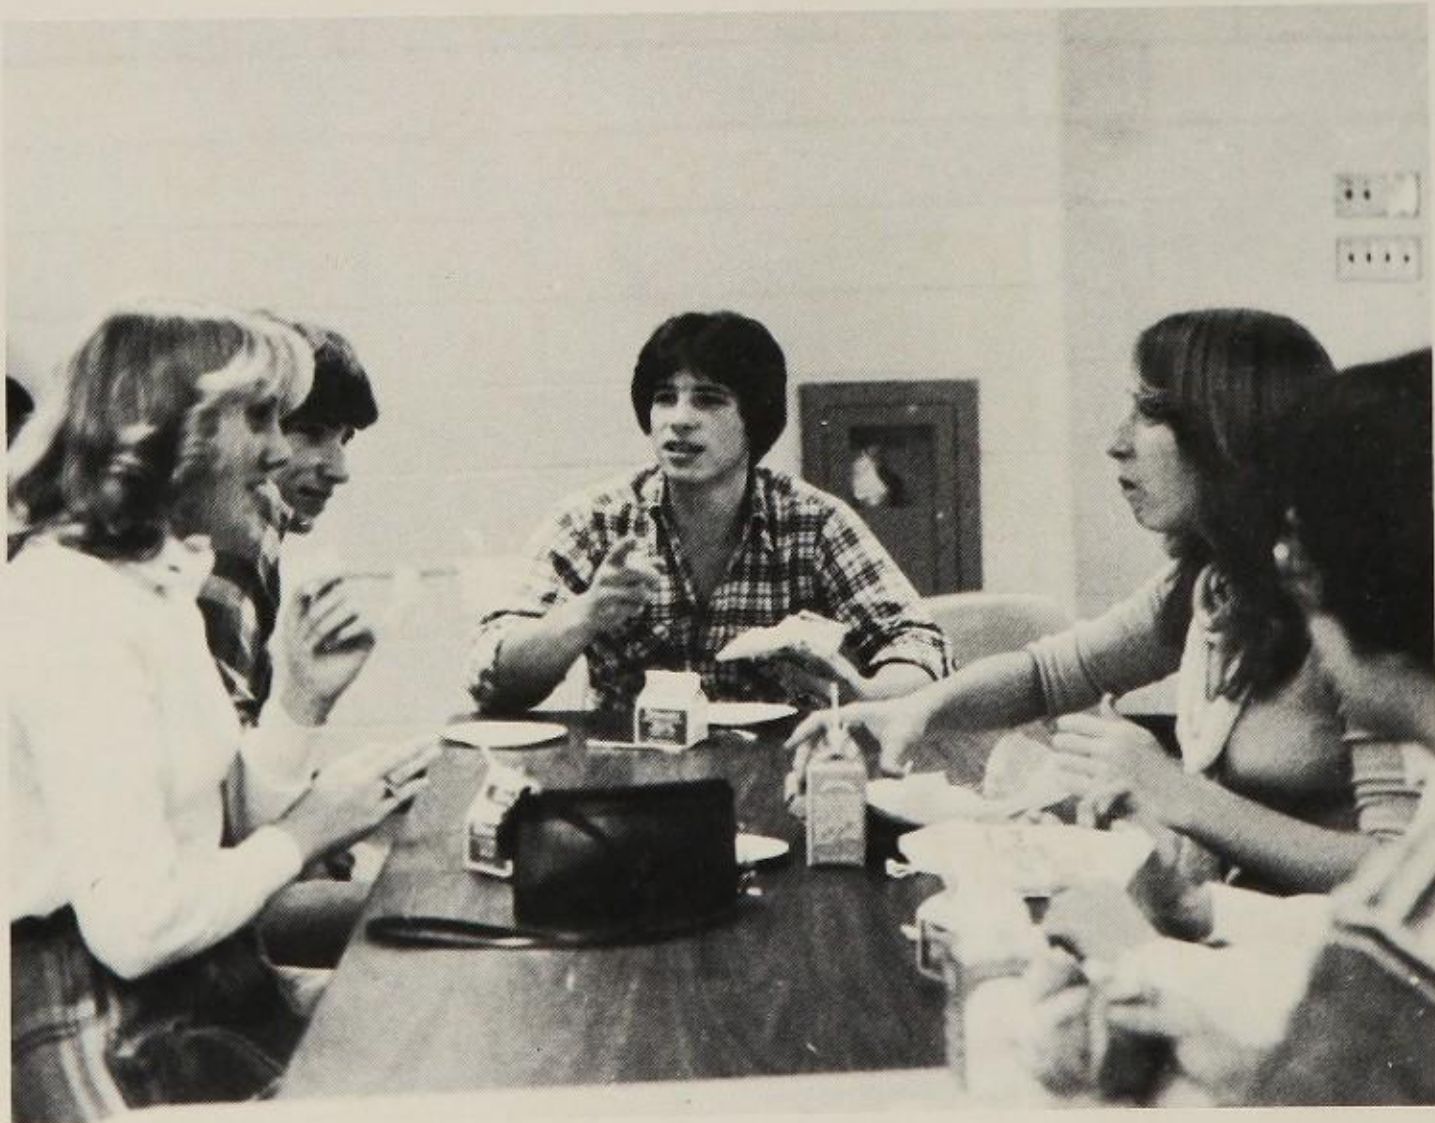

*We've only just begun to live,
caps, gowns, and promises,
a kiss for luck — and we're on our way.
And yes, we've just begun.*

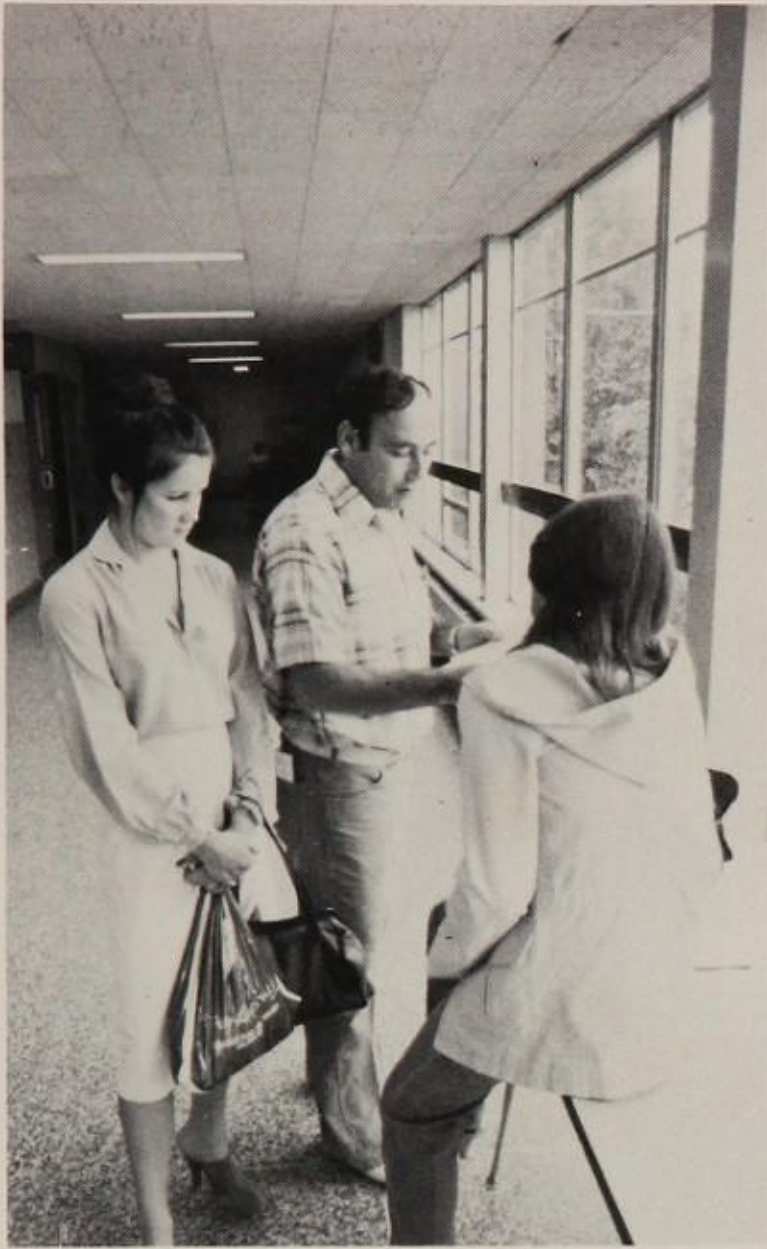

*Sharing horizons that are new to us,
watching the signs along the way.
Talking it over just the two of us,
walking together day to day.*

*Before the rising sun we fly,
so many roads to choose,
we start out walking and learn to run.
And yes, we've just begun.*

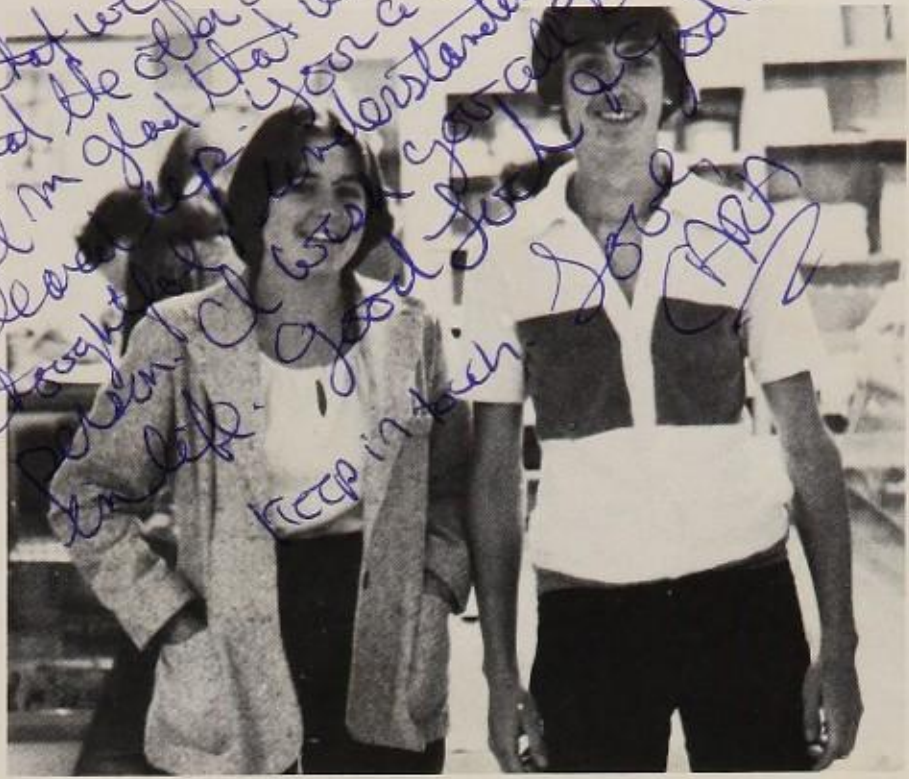

If you can imagine it, you can achieve it.

If you can dream it, you can become it.

Don't forget
 it's wonderful
 that we both thought
 that he didn't like us
 I'm glad that we got that
 cleared up. You a very nice
 person. I wish you all the best
 in life. Good luck & God bless.
 keep in touch
 Love
 Lisa

Dear Lisa,

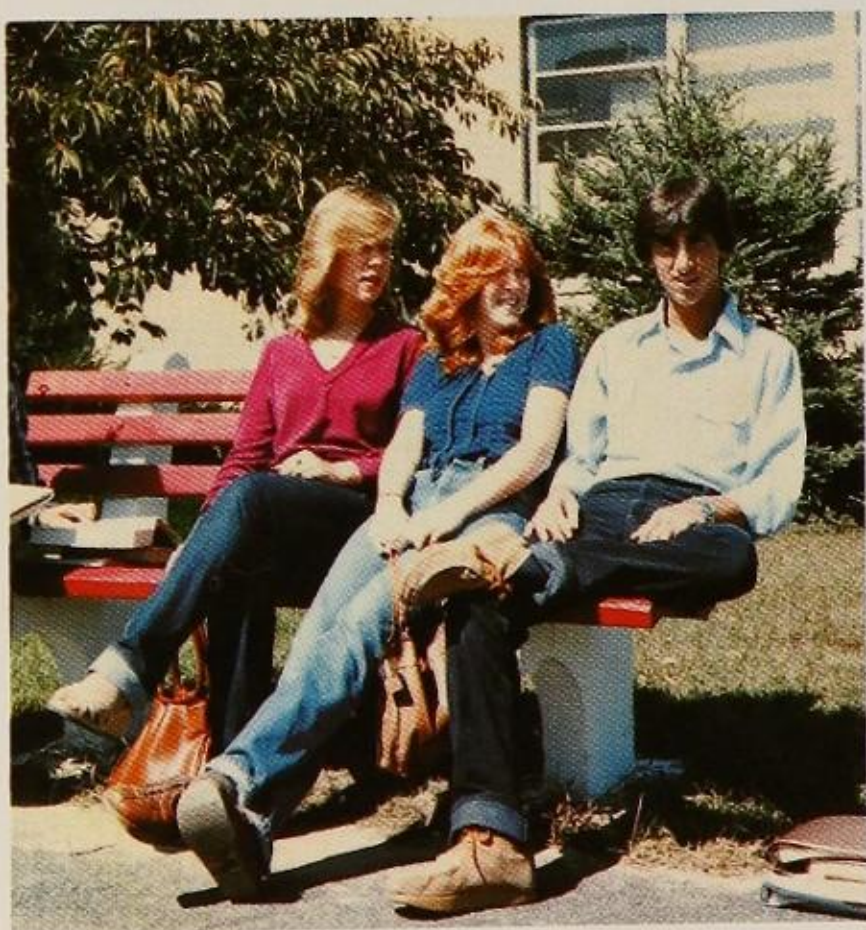

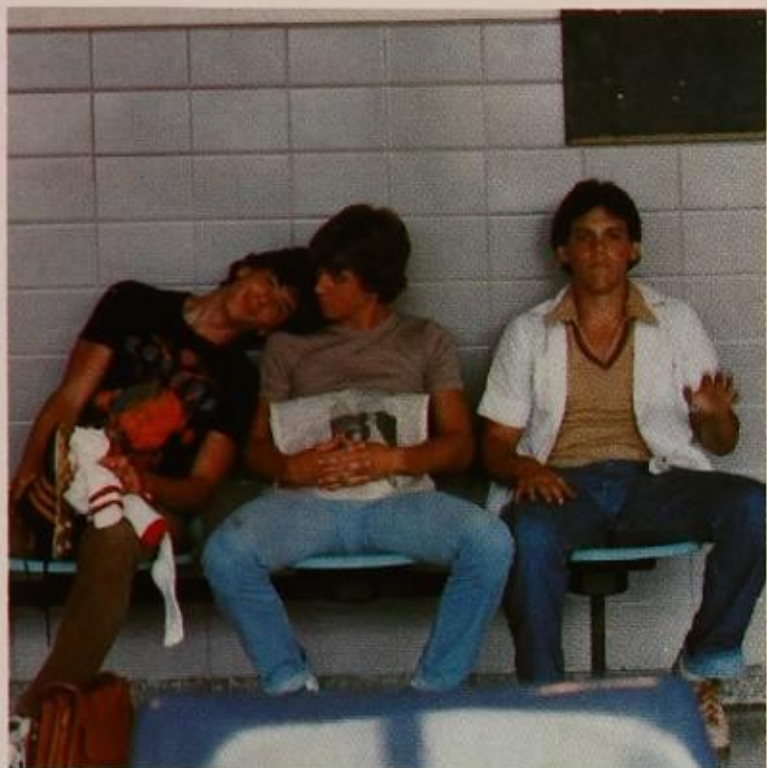

Happy are those who dream dreams and are ready
 to pay the price to make them come true.

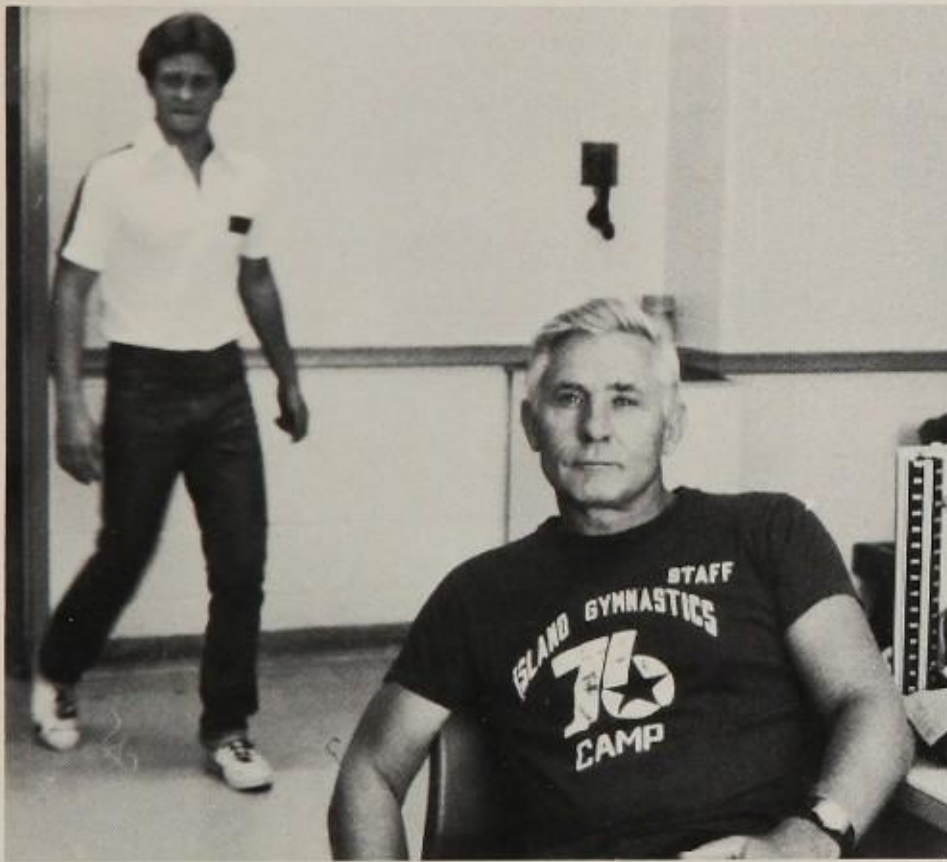

*And when the evening comes
we smile, so much of life ahead,
we'll find a place
where there's room to grow.
And yes, we've just begun.*

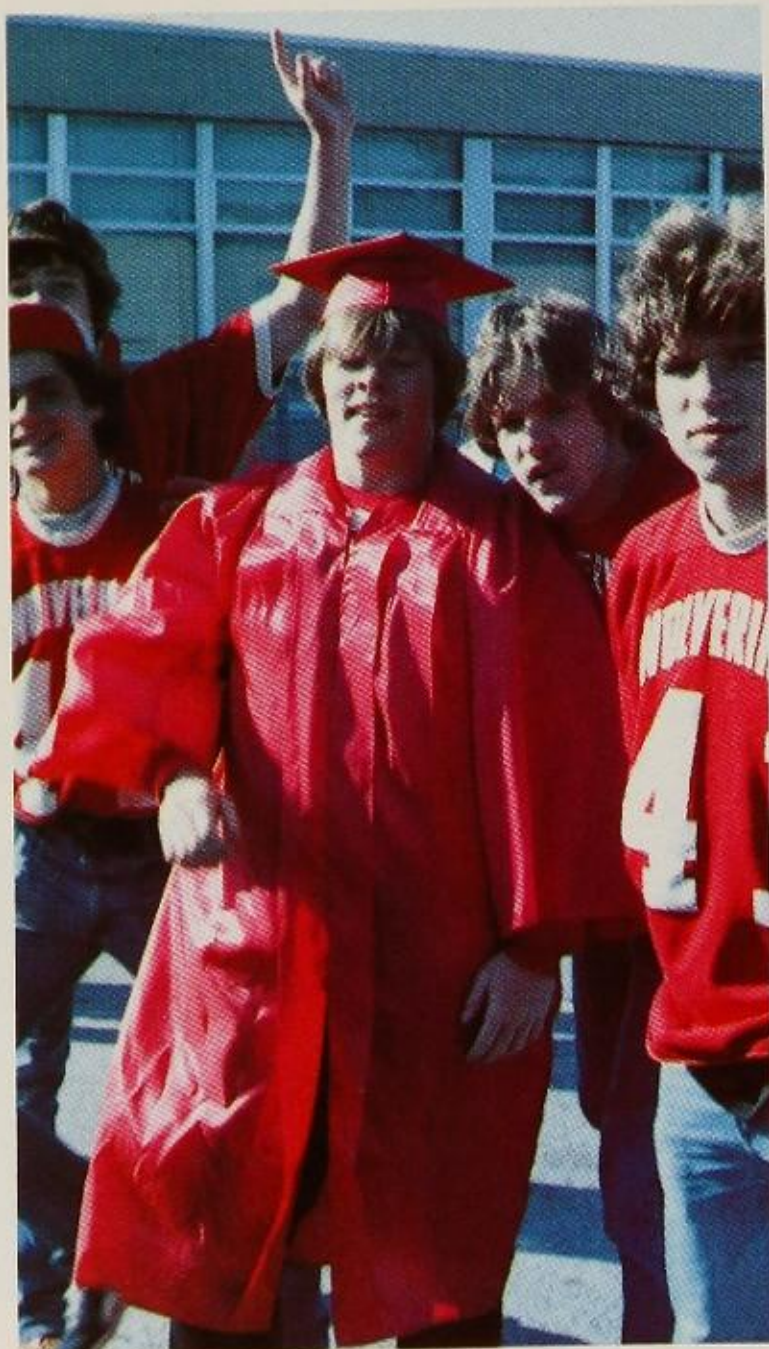

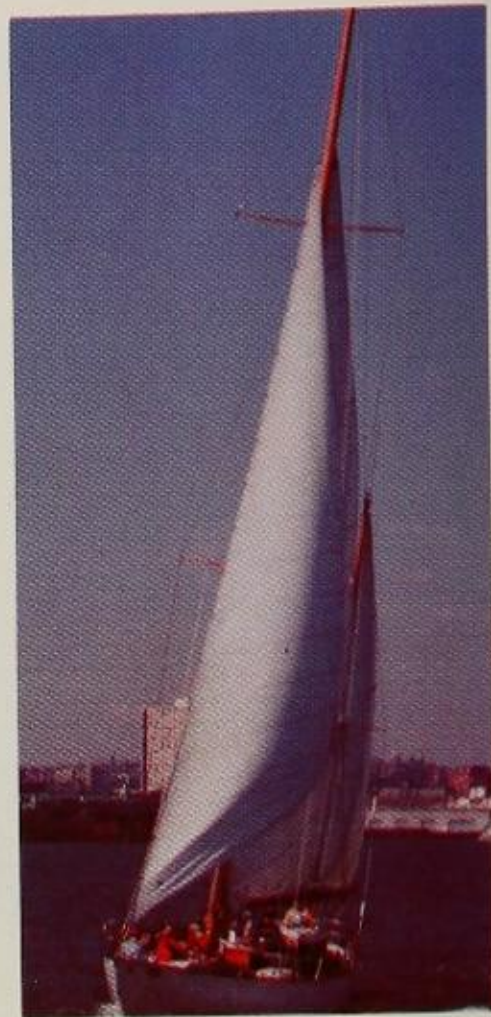

*Sharing horizons
that are new to us,
watching the signs along the way.
Talking it over just the two of us,
working together day to day.*

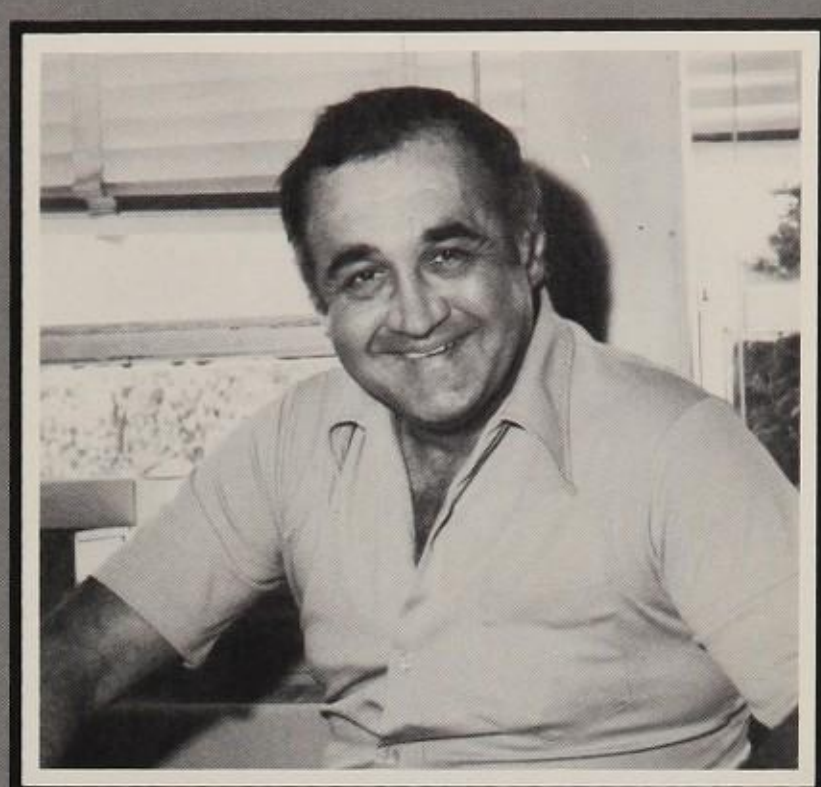

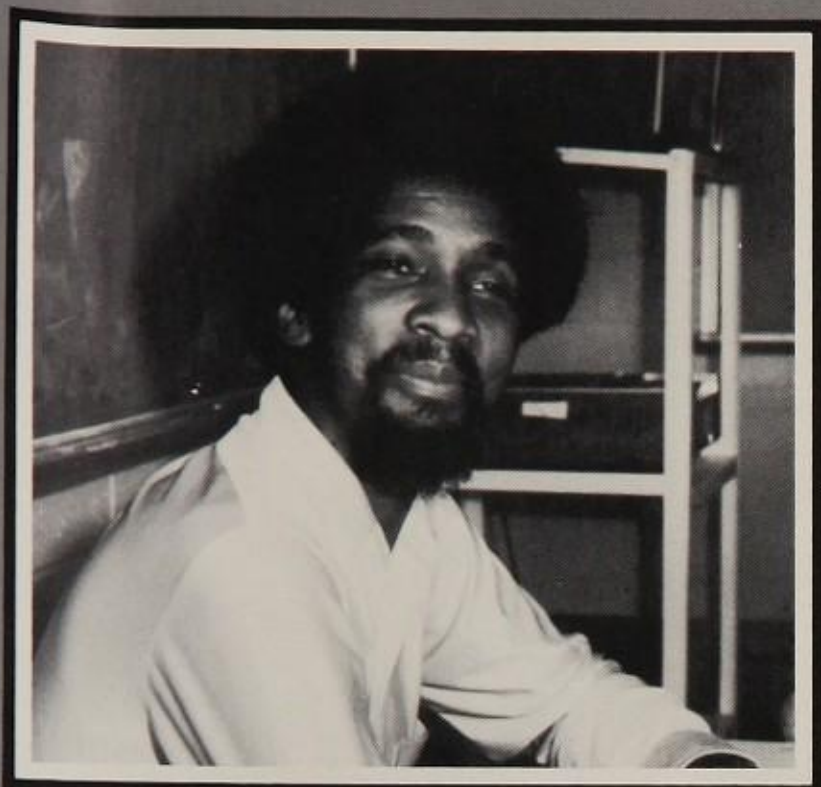

*Within the bright promise
are moments too brief,
to be held by the eye;
... captured in thought,
and fragmented by
time.*

The Class of 1980 is dedicating this yearbook to the following men without whose help we would not have had such a successful, fulfilling, and gratifying year.

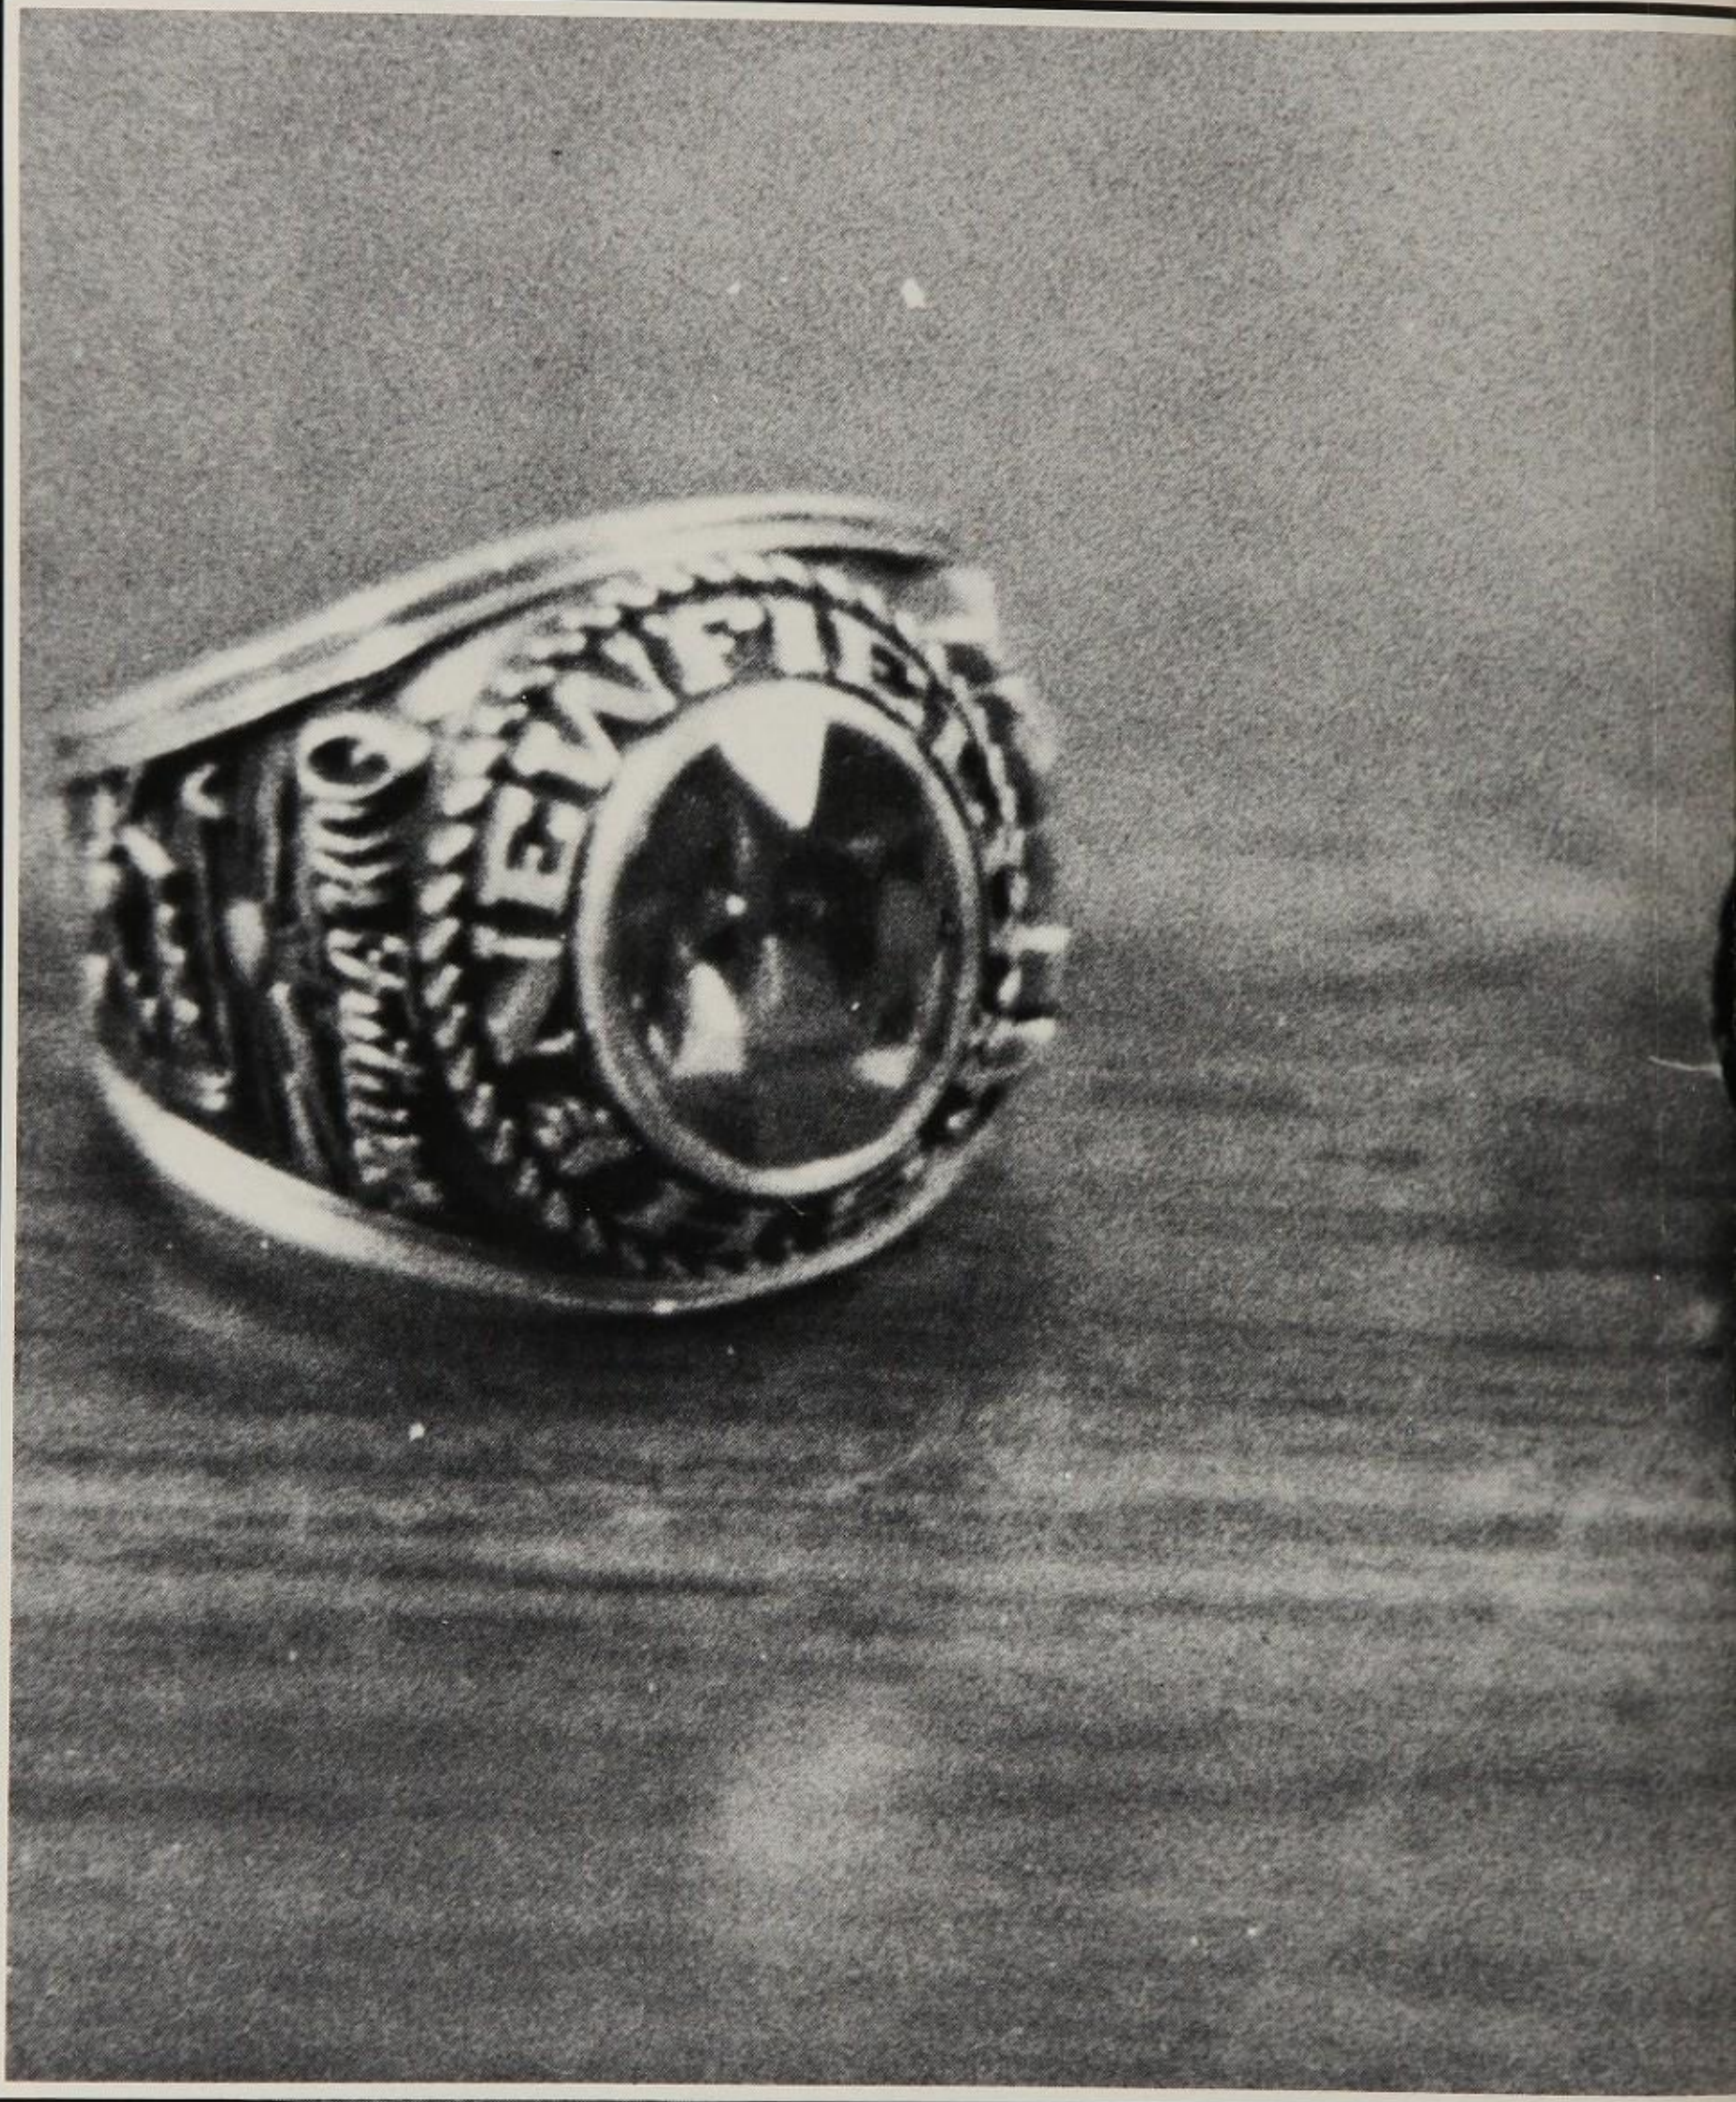

Mr. Collins and Mr. Haigy — Class Advisors

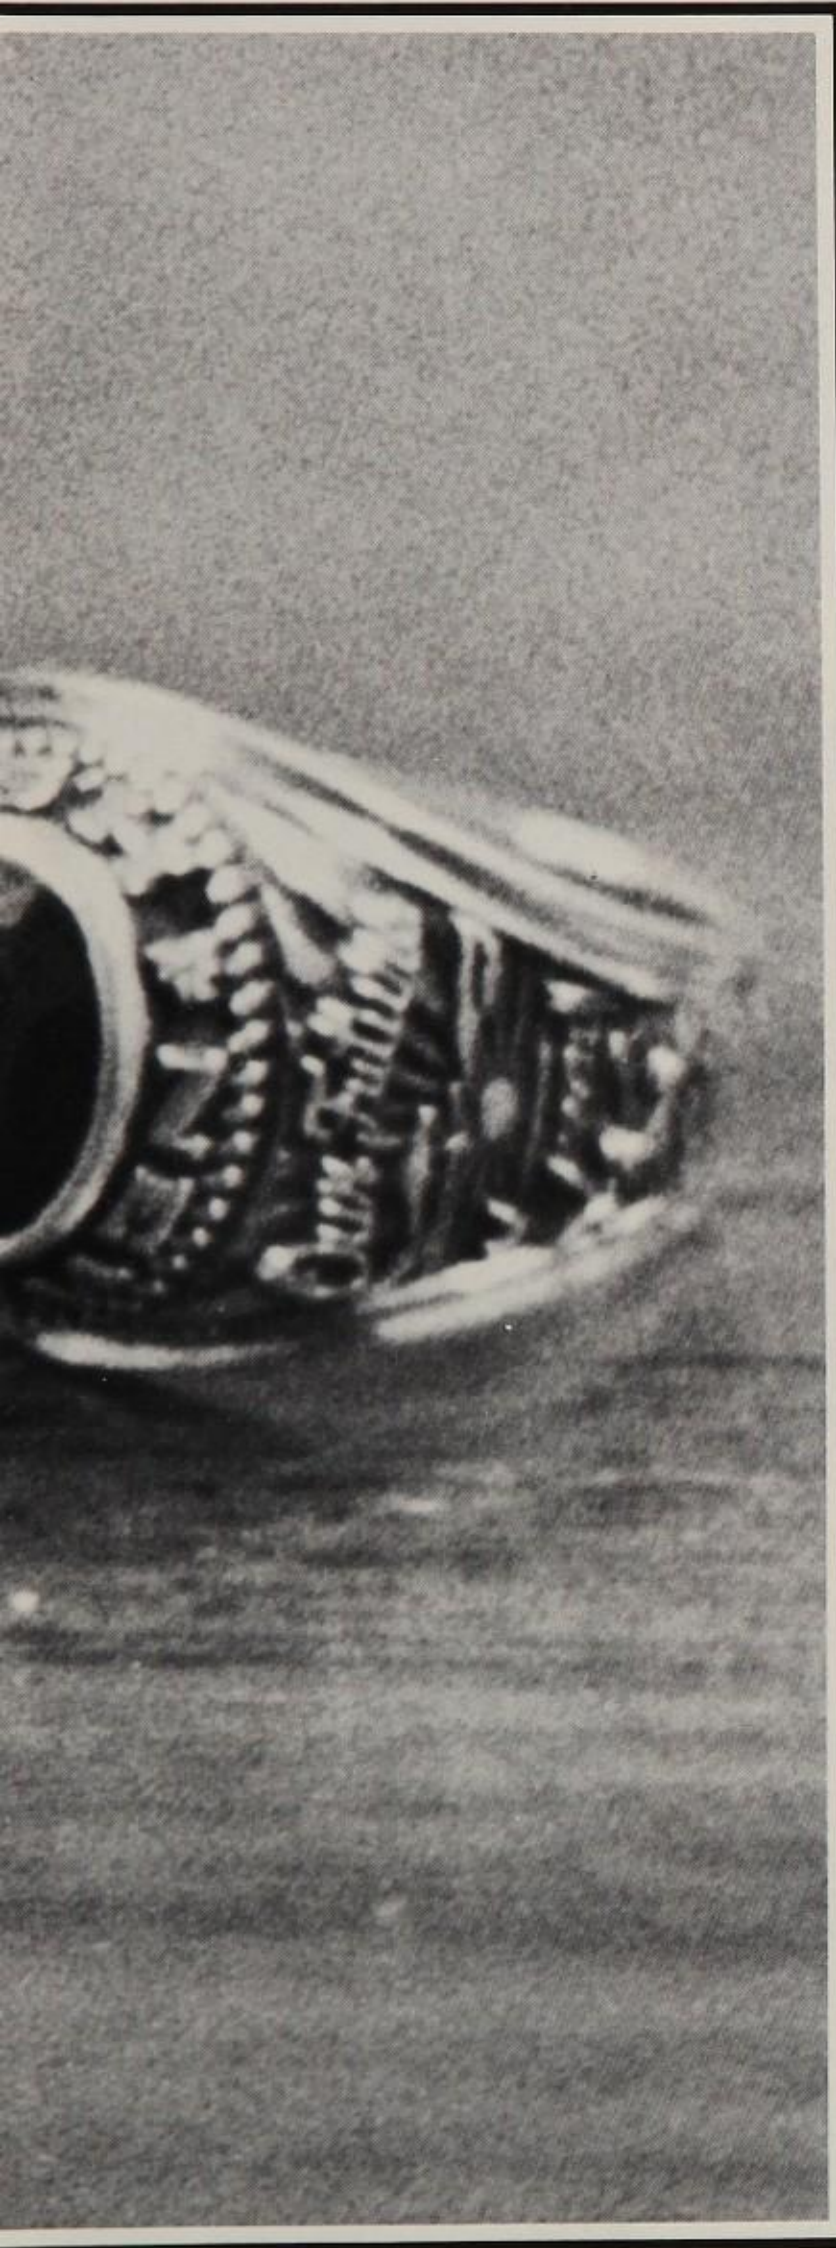

Mr. Kizer — G.O. Advisor

Mr. Pepper — Yearbook Advisor

These men, through their work with our class, have projected excellent examples of hard work, dedication, maturity, and friendship which we will remember in the years ahead. Mr. Collins and Mr. Haigy, as class advisors, spirited one of the biggest fundraising events in the history of Newfield H.S. when we held our boxing show. Mr. Kizer, through his dedication for the past 2 1/2 years, has developed a sense of school spirit through the G.O. Mr. Pepper, by assuming the supervision of the yearbook, has not only made this publication possible but has created a lasting friendship with the publication staff. We the class of 1980 through this dedication would like to thank Mr. Collins, Mr. Haigy, Mr. Pepper, and Mr. Kizer for their mutually rewarding services.

*Could it be that it was all
so simple then,
Or has time rewritten every line
If we had the chance
To do it all again,
Tell me,
Would we,
Could we.*

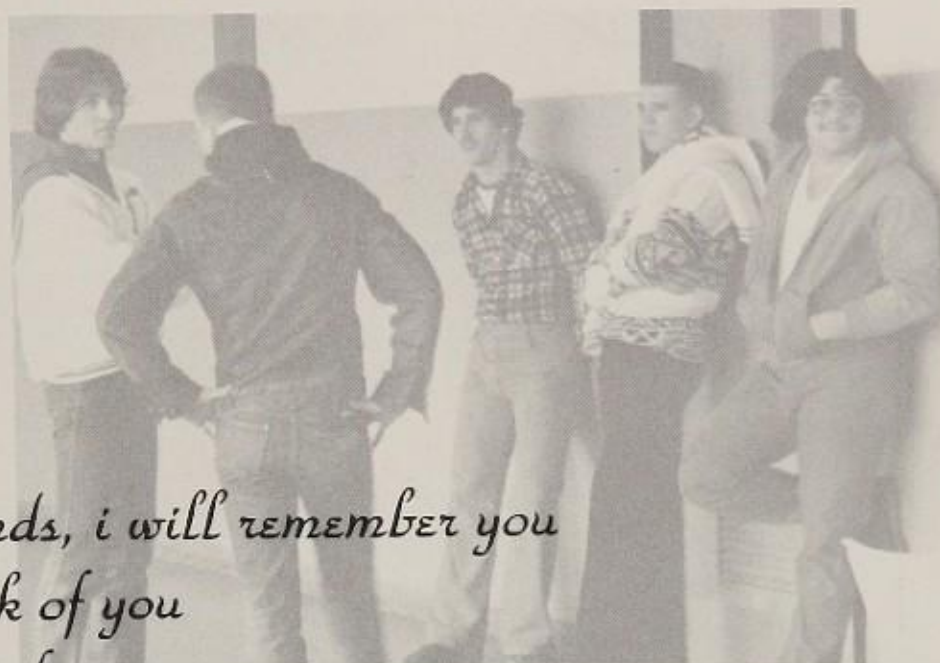

*Memories may be beautiful
and yet,
What's so simple to
remember
We simply choose to forget
So it's the laughter
We will remember
Whenever we remember
The way we were.*

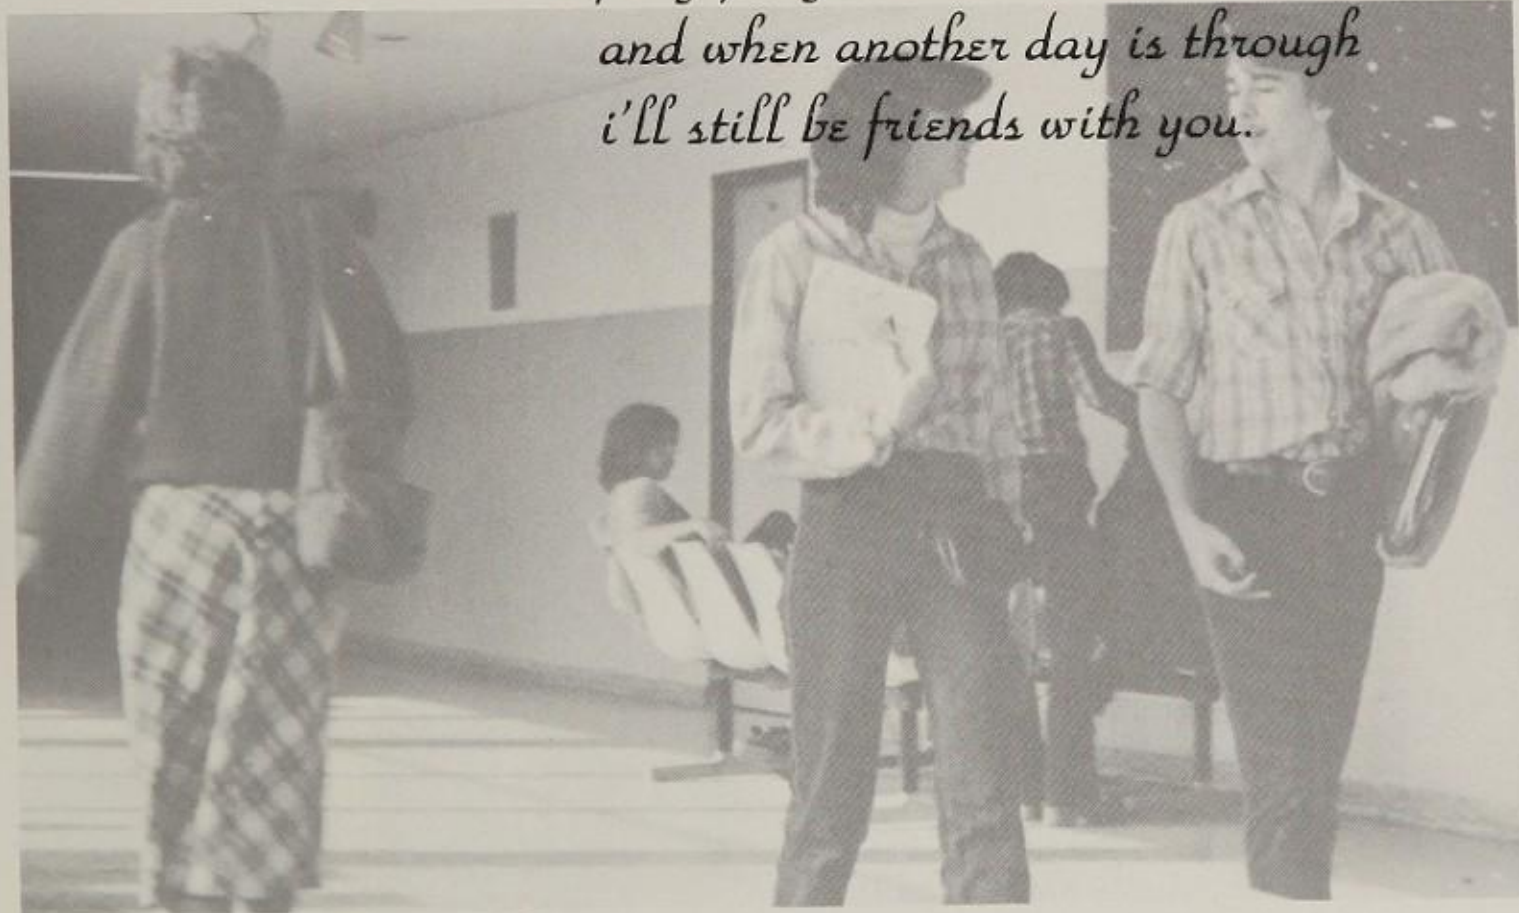

*If I could save time in a bottle,
The first thing that I'd
like to do, Is to save
Everyday till eternity
passes away,
Just to spend them with you.*

*If I could make days last
forever, and words could
make wishes come true,
I'd save every day like
a treasure and then,
again I would spend
them with you.*

*friends, i will remember you
think of you
pray for you
and when another day is through
i'll still be friends with you.*

Dear Lisa,

I can't believe that Graduation day is almost here! That means that I have known you for 2 1/2 years. I feel as if I have known you for my whole life. We really don't spend that much time together but the time we do share together is something that I really treasure. (Quality time not quantity).

I think that you are a very special person. I am so glad that you are my friend. You are one of my favorite friends. You are loyal, honest, kind, understanding, etc.

Good luck in Stony Brook. I know that you will be very successful in whatever you do. Don't ever be afraid to do something new or try a new experience. Because ~~with~~ by trying new experiences you grow as a person.

Keep in touch. Just because we aren't going to the same school doesn't mean that our friendship has to fall apart.

I promise to keep in touch.

Have a nice summer and call me up soon — maybe we can do something together. (I'll call you)

P.S. I left

— you the song,

"Thank you for being my friend" in the senior will.

Love,
Judy-Lynne

P.S.S. Sorry I took up so much room but I get carried away and besides you are a special person and I always write a lot of things in someone I really likes book.

Lisa,
Chemistry was
good and you were
a part of that "good".
Good Luck & many
successful things!
Love,
Larry

Dearest Lisa,

Happiness is like a butterfly.
The more you chase it, the more it
eludes you. But if you turn your attention
to other things, it comes + softly sits
on your shoulder.

May God bless you always!

Keep in touch!

Much love, & happiness!
